

Employee Engagement Manager Greater Los Angeles Area

We're looking for a cultural champion to drive forward training, development, and cultural initiatives. This role will function as a core part of the People Operations team, driving efforts to constantly improve employee retention. This role is both strategic and execution-focused and will work with employees of all levels. The person who fills this role will be a go-getter, holding fast to the belief that our greatest asset is our people as they work to make Unisource Solutions a better place to work.

RESPONSIBILITIES:

- This role will function as a core part of the People Operations team, driving efforts to constantly improve employee retention.
- This role is both strategic and execution-focused, and will work with employees of all levels
- Facilitate and manage employee retention throughout the entire onboarding process, from onboarding to offboarding and everything in-between.
- Utilize employee feedback to continuously refine cultural initiatives.
- Manage and implement training programs for employees at all levels, utilizing both internal and external resources.
- Take ownership over processes related to the employee lifecycle, working to refine them collaboratively.
- Help craft internal communications.

Qualifications and Skills:

Bachelor's degree in related field required. Minimum of 5 years' experience in Human Resources. Excellent communication skills; written & verbal. Strong ability to lead meetings and training sessions independently with confidence. Strong ability to face challenges head-on with growth-minded solutions. Knowledge of commercial office furniture industry is a plus.

About Us:

Founded in 1987, Unisource Solutions is one of the leading providers of smart office solutions and facility management services in California. Our strong track record of success and diverse array of products and services make us uniquely qualified to serve all your workplace needs.

We help people do great things at work

Our mission is to become the most recognized and trusted provider of inspiring workplace environments and facility services in the industry by creating offices where people want to work and where employees take great pride in delivering the best products and services.
